Dear Melissa,

**Re: Justification of Term for Mining Lease Application "Vulcan Mine"**

In accordance with s245(1)(m) of the *Mineral Resources Act 1989*, Queensland Coking Coal Pty Ltd and Qld Coal Aust No.1 Pty Ltd provides the following reasons which justify its request for a 10-year term for the Mining Lease "Vulcan Mine".

Construction of mining facilities, extraction of coal resources from Mining Lease area and transport off-site, allow for production contingencies, and rehabilitation controls and final land use. Approximately 5.7 million tonnes of resources at 0.6 - 1.9 million tonnes ROM per year = 10-year mineable reserve + contingency + environmental monitoring + rehabilitation.
