Dear Melissa,

Re: Justification of selected surface area for Mining Lease Application "Vulcan Mine"

In accordance with s245(1)(h)(i) of the *Mineral Resources Act 1989*, Queensland Coking Coal Pty Ltd and Qld Coal Aust No. 1 Pty Ltd (QCC) provides the following reasons which justify its request for whole surface area of the Mining Lease application "Vulcan Mine".

The whole surface area is required for MLA "Vulcan Mine". This allows for the establishment and operation of the open-cut, site access, explosives storage and road access, out of pit dumps, water storage dams, construction and operation of the various & necessary surface infrastructure detailed in this application.
