Dear Deb,

Re: Justification of selected surface area for Mining Lease Application “Vulcan South”

In accordance with s245(1)(i) of the *Mineral Resources Act 1989*, Queensland Coking Coal Pty Ltd and Qld Coal Aust No. 1 Pty Ltd (QCC) provides the following statement about the purposes for which the surface land is intended to be used in relation to the Mining Lease application “Vulcan South” which is depicted in images below for the purposes of s245(1)(j).

The surface area applied for is required to allow for the establishment and operation of the open-cut and high wall mining, site access, explosives storage and road access, out of pit dumps, water storage dams, construction and operation of the various & necessary surface infrastructure detailed in this application.

The surface area required for the “Vulcan South” ML covers the whole area of the permit with the exception of the excluded area as detailed below (refer to Figure 1):

- Saraji Road (road reserve);
- Norwich Park Branch Railway line, being Lot 26 on CNS125, Lot 2 on CNS109, Lot 3 on CNS109; and
- Railway Reserve, being Lot 72 on SP137467.

Should you have any queries regarding this letter please do not hesitate to contact me on (07) 3174 4816 or email nick@vitrinite.com.au.

Kind Regards,

Nicholas Williams
